SaccoSys®

Mobile/USSD/Agency/Teller Banking Payments Process 2025

USSD/Mobile Banking

1. Member dials ***185#** > Financial Services > SACCOs > Sasula > Make Payment (on Airtel Uganda). Enters WalletNumber. On successful validation, member enters amount and enters PIN to confirm payment.

3. Members using **SaccoSysWallet** (Mobile App) or **SaccoSys Direct Transaction Initiation** (at the SACCO), receive debit instructions on the phone numbers they provide.

Bank Agent - Banking

Member **walks to any of the available bank agents** and declares their Wallet Number. Agent enters Member Wallet Number & amount (**in POS Machine > Sasula**). Agent completes payment with PIN. On success, agent account is debited, **member's SACCO A/C is credited**.

Bank Branch/Teller Banking

Member walks to any of the **supported bank branches** and avails their Wallet Number. Teller enters Member Wallet Number (via SASULA menu) and amount. On successful payment, **member's SACCO A/C is credited.**

SaccoSysWallet Member Onboarding Process

With in SaccoSys, SACCO onboards member to SaccoSysWallet, Member MUST have **a valid Phone Number**. Member downloads SaccoSysWallet App, Signs Up with Wallet Number (issued at SACCO onboarding). Member receives **OTP to verify identity**. Member sets a secure 5-digit PIN and logins to view balances,make deposits and apply for loans.
